

Diversity Council

Greenspoon Marder's Diversity Council will collaborate on a regular basis to review and ensure the advancement of diversity and inclusion initiatives at the firm. The council is dedicated to creating a workplace that reflects the diversity of our clients and the communities in which we live and work. With over 70% of the firm comprised of female employees and 39% of our employees identifying as racial or ethnic minorities, Greenspoon Marder continues to diversify our ranks each and every day.
