

Labor & Employment

Greenspoon Marder LLP's Labor and Employment Law Practice Group is focused on keeping our clients out of the courtroom. Our team proactively counsels our clients to help them understand, prepare for, and appropriately respond to the thousands of federal and state statutes, administrative regulations, and judicial decisions that govern the employer-employee relationship. Often a complicated area of law, Greenspoon Marder attorneys have the experience, in-depth knowledge and resources necessary to keep up with the ever-changing landscape of labor and employment issues.

Our labor and employment attorneys work with clients on pro-active compliance, liability mitigation, crisis management, and dispute resolution. We counsel our clients on the implementation of employment policies and practices that help protect against potential claims and/or violations; and, when necessary, we draw upon the extensive experience of our Litigation Practice Group to ensure the best possible outcome for our clients.

Greenspoon Marder's Labor and Employment Law Practice Group defends employers in all matters arising in state and federal courts and before local, state and federal agencies, such as: the Equal Employment Opportunity Commission (EEOC); the U.S. Department of Labor (DOL); the Florida Department of Labor and Employment Security; Occupational Safety and Health Administration (OSHA); the Florida Commission on Human Relations (FCHR); and other fair employment practice agencies.

Our team represents both public and private corporations, public bodies and partnerships in diverse fields such as retail sales, hospitality, banking, service providers, construction, the marine industry and more. Our attorneys are also approved panel counsel for several employment practices liability insurance carriers, and we work with our clients to maximize the benefits they receive from their insurance policies.
