

Litigation

For more than 40 years, Greenspoon Marder has provided skilled representation for a wide range of businesses and industries, including many financial institutions. The firm's Litigation Practice Group and trial attorneys have a proven track record in resolving all types of business disputes, representing clients as plaintiffs and defendants in civil, commercial, and complex commercial litigation matters, both in state and federal courts and at the trial and appellate levels.

Greenspoon Marder's Litigation Practice Group focuses on keeping clients out of the courtroom. We pro-actively counsel business clients on ways to resolve disputes without the necessity of litigation and how to avoid future business disputes. However, when trial proves necessary, our team of attorneys are aggressive, experienced, and skilled in the courtroom, whether facing judge or jury. At Greenspoon Marder we stand by our clients from start to finish, guiding them through all facets of the case. When necessary, this includes appeals as well.
