Robert E. Hunt is of counsel in the Cannabis Law practice group at Greenspoon Marder LLP . Mr. Hunt focuses on bridging the gap between the capital and the operators in and around the cannabis industry. He assists entrepreneurs in developing business strategy and helps position them so they are able to transition from being small local operators to becoming regional or national powerhouses.

Mr. Hunt speaks frequently at financial and cannabis based conferences and has been featured in publications as diverse as Forbes, Fortune, Entrepreneur, Bloomberg, BBC, Rolling Stone and Wired. In addition to working with the Greenspoon Marder legal team, Mr. Hunt has founded one of the largest traditional private equity funds dedicated to cannabis, owned and operated a chain of hydroponics gardening supply stores, and worked as an agency advocate for cannabis policy.
