

## White Collar and Criminal Tax

At Greenspoon Marder, we understand the complexity and seriousness of criminal tax matters. Our attorneys have extensive experience in providing comprehensive legal support in IRS investigations, subpoena responses, and cases involving tax fraud or tax evasion. With a proven track record, we are committed to protecting our client's rights and navigating them through the intricate landscape of criminal tax issues.

### Our Services:

**IRS Investigations:** Our attorneys have the experience and knowledge to guide clients through every stage of the process, ensuring compliance and protecting their interests.

**Subpoena Responses:** Responding effectively to subpoenas is crucial in criminal tax matters. Greenspoon Marder's Tax and White Collar & Criminal Defense teams are adept at crafting strategic and compliant responses, minimizing legal risks and safeguarding our clients' positions.

**Tax Fraud Defense:** Allegations of tax fraud demand a swift and robust defense. Our team of attorneys is available to assist with reviewing evidence, challenging government claims, and building a strong defense tailored to each client's situation.

**Tax Evasion Cases:** Greenspoon Marder provides proactive representation, utilizing our deep understanding of tax laws to develop effective defense strategies and negotiate favorable outcomes.

If you are facing white collar tax matters, don't navigate them alone. Greenspoon Marder's Tax and White Collar & Criminal Defense teams are ready to provide the legal support you need. Contact us today to schedule a consultation and learn how we can safeguard your rights and interests in the face of IRS investigations, subpoena responses, tax fraud, or tax evasion allegations.
