## CLIENT ALERT

### **COVID-19 Challenges to the Hospitality Industry**

The Hospitality Industry has begun to face a period of great uncertainty. Many states have closed the doors to bars, restaurants, and public spaces, and many more states are expected to follow. In this trying time we'd like to help you prepare to navigate the challenges that may lay ahead.

While our government may be overburdened and slow to respond, we at Greenspoon Marder's Hospitality, Alcohol & Leisure Industry Group are here to help with all of your licensing needs and concerns. There are going to be tough times ahead, but I want to assure you that our team is here to help support you, your business and your customers through these challenges. Carefully evaluate your insurance's terms and conditions and consider that business might deteriorate further, given the rapid spread of the virus. File a claim as soon as possible and expect that you might have to fight it out with a lawyer. In the meantime, talk to your landlord and try to renegotiate your lease. We are well equipped to assist with these types of legal services.

Please reach out to me at [louis.terminello@gmlaw.com](mailto:louis.terminello@gmlaw.com) or (305) 789-2770 at any time, our team is ready to assist you 24/7.
